Cher Monsieur Sinnassamy,

I apologize for being so late to answer your letter. Our Forum had been much engaged in preparing its Annual Conference just when your letter was received.

I should be very pleased to make an arrangement for your son to work here in Japan. As regards further consultation and information on this matter, please come in contact with Mr. Kazuhisa Mori, Secretary General of our Forum, who is scheduled to be in Paris from April 18 to April 19. He will visit there for the two days as one of the members of the Industrial Mission on NPT International Safeguards now being sent by our Forum. Tentative Schedule of the Mission and its Hotel in Paris are shown below and you will find it available to call Mr. Mori on phone during his stay in Paris.

Truly yours,

Seinosuke Hashimoto
