2 October 1989

Dear Mr Mori,

I have much pleasure in writing to convey an official invitation from the Foreign and Commonwealth Office for you to visit Britain as a guest of Her Majesty's Government from 28 October 1989 to 4 November 1989.

The visit will consist of a programme of calls arranged by the Central Office of Information (COI) in consultation with you. A detailed programme will be sent to you later.

The British Government will bear the cost of your air fare (Club class), accommodation and other expenses in Britain. We will book flights and let you know the details as soon as possible.

The Information Officer of the Embassy, Mr Alasdair MacDermott, is formally responsible for your visit, but Mr Mrowicki in Atomic Energy Section will handle the programme arrangements and answer any questions you may have.

I look forward to hearing from you in the near future.

Yours sincerely,

E J Field
Minister
