Dear Mr. Mori :

Thank you for your letter of congratulations on my new appointment as Chairman of the Atomic Energy Council, the Republic of China.

Nuclear communities in Japan and Taiwan, R.O.C, have long enjoyed a very strong cooperative relationship. I hope that closer cooperation will be developed in nuclear peaceful applications, and nuclear technologies of mutual interest be further exchanged in the future.

On behalf of AEC, I take this occasion to wish you a very successful JAIF annual conference in this coming April.

Sincerely yours,

Ouyang, Min-Shen
