Dear Mr. Mori,

I would like to take this opportunity to inform you that I have to retire from my present position of Executive Vice Chairman at the Korea Atomic Industrial Forum due to the expiration of my term of office as of February 27, 2002.

On this occasion, I would like to express my sincere appreciation for your kind attention and cooperation to me and KAIF during my tenure of office in the past years.

I also would appreciate if you could extend to my successor who will be announced soon the same warmth and cooperation which you have offered to me.

Looking forward to meeting you again in the near future if circumstances permit, I wish you and your staffs of JAIF good luck and success in this New Year.

Sincerely yours,
