Dear Dr. Mori,

On behalf of acad. Velikhov I send the answer to your appeal of December 2, 2002.

Acad. Velikhov is ready to meet Mr. Mamoru Shinohara on December 5 th.y. at 8.00 in the morning at his home on the address: Moscow, 24 Pekhotnaya str.

It seems that 1 hour duration meeting will be enough and allows Mr. Shinohara to come at 9.50 to the Minatom in accordance with his wish.

I ask you to let Mr. Shinohara know this information and dispatch his answer to me.

If the proposal is acceptable it appears the next question: will Mr. Shinohara have the need to provide for him transport service? If yes, I could arrive with a car to the "Budapest" Hotel at 7.00, bring him to acad. Velikhov's home (8.00 am) and then to the Minatom at the appointed time.

~~Further on, I suppose, Mr. Shinohara will not have the need of our assistance.~~

Sincerely yours

Vyacheslav Kuznetsov
