Dear Mr. Mori,

In order to receive CPV's favorable consideration to the nuclear power development programme in Viet Nam, VAEC has discussed and requested JAIF to organize a CPV's high-ranking official visit head by H.E. Mr. Do Nguyen Phuong, Chairman of the CPV's Commission for Science and Education.

I am very grateful to hear that JAIF accepted our proposal and is doing preparation works for the visit.

In this connection, I would like to inform you that the suitable time for the visit is in August or September of this year.

I look forward to hearing from you soon.

Thank you for your cooperation.

Sincerely yours,
