Dear Mr. Mori,

In conjunction with forthcoming Japan-Russia consultations on nuclear cooperation scheduled on November 26, 2003 delegation of Minatom of Russia, consisting of 6 persons and headed by Mr. V.S. Bezzubtsev, the Head of the Department on Atomic Power, would like to have a meeting with JAIF.

There are following topics that we consider be useful to discuss: review of Japan - Russia cooperation with the emphasis on FBR, utilization of surplus weapons Pu, upgrading of legal basis of Japan-Russia cooperation.

Based on our informal contacts with Mrs. Sakurai we understand that such a meeting is feasible and will take place on November 27 as a "lunch meeting". We thank you for your kind arrangements and hope that there will be useful discussion between Minatom's delegation and JAIF.
