THE INTERNATIONAL WHO'S WHO 2005

Dear Kazuhisa MORI

We are now making preparations for Europa's 68th edition of THE INTERNATIONAL WHO'S WHO, which will be published in June 2004. It is probably the best known reference source for the world's most successful achievers and is also an important work of historical record. We choose the entries entirely on merit and for their continuing interest and importance.

Please update your existing entry by deleting any incorrect text and marking corrections alongside. The form can be posted or faxed back to Europa Publications (fax number: +44 (0)20 7842 2363).

Alternatively, you can send us an e-mail listing important amendments and additions to IWW.europa@tandf.co.uk.

Completion of this form puts you under no obligation whatsoever either to buy a copy of the volume or to subscribe to the online product. However, an order form is attached should you wish to take advantage of the special discount we are offering to entrants.

I would be most grateful if you could complete this form and return it to us before the date indicated on the questionnaire. We are now including pictures of entrants on the website. If you would like a head-and-shoulders portrait to be displayed with your entry, please e-mail an electronic version of a copyright-free picture in .JPG format with a width of 150 pixels and a height of 200 pixels, or send a negative.

I look forward to receiving your reply.

Yours sincerely,

Robert J. Elster
Editor

The International Who's Who may be published in print, digital and online form. From time-to-time you may be sent details of products and services that might be of interest to you; please tick the box if you do not wish to receive such items. ☐

THE INTERNATIONAL WHO'S WHO 2005

THE INTERNATIONAL WHO'S WHO has been published annually by Europa Publications since 1935 and provides biographical information on the most famous and talented men and women in the world today.

We select the entrants entirely on merit and for their continuing interest and importance. The volume contains information from almost every country in the world and nearly every sphere of human activity: these include politics, art, architecture, cinema, business, diplomacy, engineering, fashion, journalism, law, literature, medicine, photography, science, technology and theatre.

Each entry includes, where possible, details of the entrant's nationality, profession, titles and academic degrees, date and place of birth, parentage, marital details, number of children, education, career, honours, awards and prizes, publications, leisure interests, address, telephone and fax numbers, e-mail and website details.
