

APPENDIX 2. Members of Committees

Administrative Council

OHSAWA, Yukiharu	Professor, Graduate School of Science, Nagoya University	KANEKO, Osamu	Director of Particle Beam Heated Plasma Research Division, NIFS
OGAWA, Yuichi	Director, High Temperature Plasma Center, the University of Tokyo		and Director of Safety and Environmental Research Center, NIFS
SASAO, Mamiko	Professor, Graduate School of Engineering, Tohoku University	NAKAJIMA, Noriyoshi	Director of LHD and Magnetic confinement simulation Division, NIFS
SANO, Fumimichi	Director, Laboratory for Complex Energy Processes, Institute of Advanced Energy, Kyoto University	SATO, Motoyasu	Director of Coordination Research Center, NIFS
CHO, Teruji	Director, Plasma Research Center, University of Tsukuba	NODA, Nobuaki	Director of Fusion Engineering Research Center, NIFS
HINO, Tomoaki	Professor, Graduate School of Engineering, Hokkaido University		
MATSUDA, Shinzaburo	Executive Officer, Japan Atomic Energy Agency		
MITARAI, Osamu	Professor, Institute of Industrial Science and Technical Research Kyushu Tokai University		
MIMA, Kunioki	Director, Institute of Laser Engineering, Osaka University		
YOSHIDA, Naoaki	Professor, Research Institute for Applied Mechanics, Kyushu University		
SUDO, Shigeru	Deputy Director-General, NIFS and Executive Director of Department of Simulation Science, NIFS		
KOMORI, Akio	Executive Director of Department of Large Helical Device Project, NIFS		
YAMADA, Hiroshi	Director of Research Operations Division, NIFS		
KAWAHATA, Kazuo	Director of High-Temperature Plasma Physics Research Division, NIFS		
MUTOH, Takashi	Director of Radio Frequency Plasma Heating Research Division, NIFS		
OHYABU, Nobuyoshi	Director of Theory and Data Analysis Division, NIFS		
IMAGAWA, Shinsaku	Director of Fusion and Advanced Technology Systems Division, NIFS
