

V. Department of Administration

The Department of Administration handles planning and external affairs, general affairs, accounting, research support, and facility management work.

The major operations of this department are to support the promotion of the Institute's regular research and the development of the collaborative research.

The department consists of the following four divisions, namely, the General Affairs Division, the Financial Affairs Division, the Research Support Division, and the Facilities and Safety Management Division. Details of these divisions are described below.

General Affairs Division

The General Affairs Division handles administrative work and serves as the contact point with the outside. This Division consists of four sections. The General Affairs Section is in charge of secretarial work for the Director General and the Deputy Director General, support for the Advisory Committee meetings, and enacting rules and regulations. The Planning and Evaluation Section is in support for assessment of the institution's performance including scientific achievement and management efficiency. The Personnel and Payroll Section is in charge of general personnel affairs, salary, and public welfare. And the Communications and Public Affairs Section focuses on outreach and publicity activities.

Number of Staff Members

(※ This list was compiled as of March 31, 2015.)

Director General	1
Professors	40
Associate Professors	43
Assistant Professors	46
Administrative Staff	44
Technical and Engineering Staff	45
Employee on Annual Salary System	4
Center of Excellence Researcher	5
Research Administrator Staff	2
Visiting Scientists	20
Total	250

Financial Affairs Division

The Financial Affairs Division consists of six sections: the Financial Planning Section, the Accounts and Properties Administration Section, the Audit Section, the Contracts Section, the Procurement Section, and the Purchase Validation Section.

The major responsibilities of the division are to manage and execute the budget, to manage corporate property, revenue/expenditure, and traveling expenses of staff, and to purchase supplies and receive articles.

Facilities and Safety Management Division

The Facilities and Safety Management Division consists of three sections: the Safety and Health Management Section, the Facilities Planning Section, and the Facilities Maintenance Section. They are in charge of planning, designing, making contracts, supervising the construction and maintenance of all facilities at NIFS, such as buildings, campus roads, electricity, telephone, power station, air conditioning, water service, gas service, elevators, and cranes. The Facilities and Safety Management Division submits a budget request and administers the budget for those facilities.

The Safety and Health Management Section also arranges medical examination and disaster drills. These three sections promote facilities' environment better for all staff.
